

Jack 4.0 Demo

This is the demo version of Jack. Try to beat the program that already won the World Championship Computer Bridge five times this Century.

Jack is the World Champion Computer Bridge of 2001, 2002, 2003, 2004 and 2006. In this demo version Jack bids and plays at full strength. The demo contains 12 random deals, a tournament session of 21 deals and allows you to play a round in the matchpoints or teams competition in the new JackBridge ladder competition. Only a few options have been disabled.

Commercial versions of Jack in dutch, english, french and german with their respective true playing cards (by Carta Mundi) are available from bridge supplies shops all over the world and from Jack's own website:
